## SUMMER IN THE CITY

NEWSLETTER SUMMER 2023 ISSUE

EXPLORE YOUR (NEW) CITY THIS SUMMER WITH MEET MAASTRICHT

### Upcoming walking tours

#### INTRO TO MAASTRICHT

Meet Maastricht has a wide catalogue of walking and cycling tours in and around the city that we provide on demand. This summer, we've scheduled a few tours for those interested in an introduction to the city or a refresher about Maastricht. Our mission this summer is to show locals and expats alike new places in Maastricht. There are many stories behind each of these places.

The scheduled tours this summer will take place every last Sunday of the month from June on. It is impossible to provide a full overview of the 2000 years of Maastricht history in just one walk. But we are willing to give it a go...

We'll be telling you about everything from the Romans, churches and pilgrims, mills and guilds, to soldiers and fortifications. We'll even cover labourers and factories, bombs and deportations and how the city was reinvented to suit tourist and students alike, while keeping the distinctive character for both old and new 'Mestreechtere'.
